

REMARKS

Entry of the foregoing in light of the following remarks, pursuant to and consistent with 37 C.F.R § 1.312, are respectfully requested.

The specification has been amended to insert the required paragraph regarding submission of color drawings.

In a Notice Regarding Drawings mailed on June 16, 2005, the Draftsperson objected to the drawings. Applicants hereby submit one full set of drawings, including one full-tone set (3 copies of each) of Figures 13(a)(b), 14(a)(b) and 15(a)(b). Figure 5 has been changed to show Figure 5(a) and (b). No changes are required in light of this change. Figure 1 has been relabeled FIG.1(a) and (b), and the specification changed appropriately at pages 5 and 6. Written acceptance of the drawings filed herewith is respectfully requested.

In the event that there are any questions relating to this Amendment After Allowance Under 37 C.F.R. § 1.312 and Request to Receive Written Acceptance of Drawings, the accompanying Petition to Accept Color Drawings, or the application in general, it would be appreciated if the Examiner would telephone the undersigned concerning such questions so that issuance of this application may be expedited.

Respectfully submitted,
